

Young Harmony – “Faith, Hope Joy” Lyrics

GOOD MORNING LORD

CHORUS

Good morning, Lord.
I see You kept me through another night.
And once again the sun is shining bright.
It's gonna be a glorious day.
Good morning, Lord.
This another day You've given me
And I'm believin' that it's gonna be
A good morning, Lord.

VERSE 1

I woke up this morning
With a thankful heart
And I could hardly wait
For the day to start
Now I never know
What You have in store
But everyday is better
Than the day before

REPEAT CHORUS

VERSE 2

I find brand new mercy
With a brand new dawn
You give me daily grace
So I can carry on
Before the day is done
I'll love You even more
That's why I wake up sayin'
“Good morning, Lord”

REPEAT CHORUS

ALL HE'S DONE FOR ME

The other day I overhead someone laugh and say.
I just don't understand why that church downtown carries on that way.
They jump and shout, clap their hands. They act so undignified
With a smile on my face and tears in my eyes.
This was my reply

CHORUS

You don't know all He's done for me.
And you don't know how many times, His love has rescued me.
He took my life, I thought I'd destroyed and filled it full of peace and joy.
If you only knew all He's done for me.

When I hear them say, look what the Lord has done, I remember the time
I was the one with a heart full of hate about to lose my mind
So how can I sit still if I hear someone say come on and Praise His Name

Cause after all He's done for me, I could never be ashamed.

REPEAT CHORUS

So the next time you watch or come to this church and the dancing begins.
I hope you'll know it's not just a show to entertain a friend
We're just people who know where we would be if Jesus hadn't come in.
You would understand more if you could look where we are and then look where we've been.

REPEAT CHORUS

LITTLE BIT OF FAITH

VERSE 1

A little boat was tossing on the sea of Galilee.
Winds and waves grew stronger, faith was getting weak.
When he saw Jesus walking, that's when Peter knew,
with a little bit of faith, he could walk on water too.

CHORUS

A little bit of faith can move a mountain,
A little bit of faith can see you through.
It will help you find the answers, when you don't know what to do.
Walk by faith and not by sight, let Jesus lead you out.
What this old world could use is a little more faith,
And a lot less doubt.

VERSE 2

You thought the rain was over, the storm had finally passed.
Now your faith is tested and hope is sinking fast.
At times you even feel like your ship is going down.
But you can walk with Jesus when a little faith is found.

REPEAT CHORUS

TAG

You gotta' have faith, faith.

LITTLE THINGS

VERSE 1

Sometimes it's just a gentle breeze,
Or the way the sun shines through the trees,
That makes me stop and think of all your blessings.
A moonlit night, a gentle rain. Yeah, sometimes it's in the little things.
I feel the peace that only you can give us.

CHORUS

You send little things to remind me that you love me.
Little things to let me know you're near.
Little things that I take for granted, are the very things that show how much you care.
Sometimes it's in the birth of Spring, when the flowers bloom and robins sing,
That makes me stop and think of all you've given.
The year's first snow, a star filled sky.
Autumn leaves or a baby's cry.
The greatest artist's canvas is the sky.

CHORUS

It's the little things He gives in life.
That makes the journey all seem worthwhile.
So many things that we should thank Him for.
For the mountains that we all must climb,
Will seem much smaller if we take the time
To enjoy God's creation in our lives.

BUT THEN

VERSE 1

I thought I'd lost it. There was no turning back.
No way my broken heart. Could ever live through that.
But I kept on searching, time after time.
'Till I found the answer, right before my eyes.

CHORUS

Then you held me, tried to tell me,
how much you needed me by your side.
Then you changed me, then you saved me.
Then you held out your arms so wide.
Thought I was so near the end,
But, then...

VERSE 2

I tried not to let you near. Built these walls all around.
To try and hide this empty heart.
But you just knocked them down.

REPEAT CHORUS

BRIDGE

You could have left me down and out.
But you stayed here by my side.

CHORUS

Then you held me, tried to tell me,
how much you needed me by your side.
Then you changed me, then you saved me.
Then you held out your arms so wide.
Felt your love come rushing in,
you breathed life in me again.
Thought I was so near the end...
But, then.

ALL THAT I NEED

CHORUS

All that I need is Jesus.
He satisfies, joy He supplies.
Life wouldn't be worth it without Him.
All that I need, in Jesus I'll find.

VERSE 1

Peace and joy everyday I find.
When He calls me, I'll answer right on time.
When my burdens get hard to bare, I'll go to Him.
I go to Jesus in prayer.
All that I need, in Jesus I'll find.

REPEAT CHORUS

VERSE 2

If you're lost in a world of sin.
Turn to Jesus, He'll let you in.
He'll help you find the road.
He'll help you carry your load.
All that you need, In Jesus you'll find.

REPEAT CHORUS

TAG

Life wouldn't be worth it without Him.
All that I need, in Jesus I'll find.
He's all I need!

POWER IN HIS NAME

VERSE 1

As the woman pressed through the crowd so intensified with pain,
She knew if she could reach the Lord, she'd never be the same.
When she touched Jesus, her life was surely changed.
She seen there was power,
Power in His name.

VERSE 2

I too, one day was dying. Sinking in despair.
It seemed I had no where to go, except on my knees in prayer.
But when I spoke the name of Jesus, He took my sins away.
Then I seen that there was power, power in His name.

CHORUS

and I believe that there is power in His name.
I believe there is healing in the same.
He said, "ask, you shall receive, if you'll only believe"
and I believe that there is power in His name.

REPEAT CHORUS

BRIDGE

Jesus, Jesus, Jesus

TAG

I believe there is Power,
Power in His name.
I believe there's still power in His name.

I KNOW HE WILL

VERSE 1

Facing a trial, a testing of my faith.
It gets hard to smile, it gets hard to pray.
But it's not the first time, I've been in this place,
and I know Jesus will make a way.

CHORUS

I don't know how He's gonna make this trial a blessing.
Or how He's gonna work it for my good.

I'm just gonna trust in His promises.
That Jesus, will do what He said He would.
I don't know when the testings gonna end,
but I know He said He'd move if I stood still.
And He would work it out and take away my doubt.
I don't know how, I don't know when,
but I know He will.

VERSE 2

No need to question, of how God will move.
He don't leave me guessing, He knows what to do.
And the Holy Spirit is living proof, cause He lives in me
and leads me through.

REPEAT CHORUS 2X

TAG

I don't know how, I don't know when, but I know He will.

LIFTING UP THE NAME

VERSE 1

In my mind I see a city with streets of purest gold.
Walls that are made of Jasper; where crystal rivers flow.
I see many, many angels all in white array;
With their hands lifted high, giving Jesus praise!

CHORUS

Singing Jesus, Jesus
Singing Hallelujah, letting praises ring.
Singing Jesus, Jesus
Lifting up the name of Jesus our King.

VERSE 2

Suddenly a silence fell upon the earth.
Lightning for all to see, thunder everyone heard.
People of all nations had finally bowed down.
As the church began to shout, dancing all around.

REPEAT CHORUS

TAG

Lifting up the name, lifting up the name, lifting up the name of Jesus our King.

ADDRESS CHANGE

VERSE 1

I've been living in this world for quite a long time,
Always struggling for a place to call my own
I've never been quite satisfied with what I have down here
So I'm moving to my brand new home

CHORUS

This is an address change notification
For I'm moving to a much better place
There will be no tears, no dying there will be no more pain
Let me tell you of my address change

VERSE 2

Oh, this place that I'm moving is lovely and it's new
There are walls made of Jasper, Crystal rivers too
And the street in front of my door is made of purest gold
It's a land where we will never grow old

EVERYBODY WILL BE HAPPY

VERSE 1

There's a happy land of promise over in the great beyond.
Where the saints of earth shall soon His glory share.
Where the souls of men shall enter and live on forever more.
Everybody will be happy over there.

CHORUS

Everybody will be happy over there.
Will be happy over there.
We will shout and sing His praises.
Everybody will be happy over there.

VERSE 2

Mothers, fathers, sisters, brothers will be singing around the throne.
In a land where no one ever knows a care.
And the Christians of all ages will join in the triumph song.
Everybody will be happy over there.

REPEAT CHORUS

VERSE 3

Then we'll meet the one who saved us and has kept us by his grace.
Who brought us to that land so bright and fair.
We will praise His name forever as we look upon His face.
Everybody will be happy over there.

TAG

We will shout and sing His praises, everybody will be happy over there.
Over there.
