

Young Harmony – “Acoustically Noted” Lyrics

GOOD MORNING LORD

CHORUS

Good morning, Lord.
I see You kept me through another night.
And once again the sun is shining bright.
It's gonna be a glorious day.
Good morning, Lord.
This another day You've given me
And I'm believin' that it's gonna be
A good morning, Lord.

VERSE 1

I woke up this morning
With a thankful heart
And I could hardly wait
For the day to start
Now I never know
What You have in store
But everyday is better
Than the day before

REPEAT CHORUS

VERSE 2

I find brand new mercy
With a brand new dawn
You give me daily grace
So I can carry on
Before the day is done
I'll love You even more
That's why I wake up sayin'
“Good morning, Lord”

REPEAT CHORUS

HE KNOWS HOW

He know how, He knows how to take good care of me,
No matter where this road may leads, walking with Jesus is where I'll be
Before I know the problem, GOD already knows the need
He knows how, He knows how to take good care of me

Walking by faith and not by sight is sometimes hard to do
Just how long will I carry this burden, before the spirit of the Lord comes through
Then my mind starts to wonder, just how that I could be
Cause for many years I've been serving the Lord, He's been taking good care of me

He's put food on my table, he's been a shelter over me
From day to day he's provided everything that we need
I don't have to be worried when I close my eyes to sleep
Cause GOD never gets to busy to keep watching over me

I NEED YOUR GRACE

Verse 1

Lord I kneel before your throne again today
Standing in need of your mercy and grace
I found myself in trouble, Lord I've been led astray
But now I'm trusting you and calling out your name

Chorus

Lord I need your grace, to pull me through these troubled times
I need your healing, on my heart and on my mind
Strength to turn and walk away from this world's sin and shame
I need your mercy, I need your love, Lord I need your grace

Verse 2

Have you found yourself in places like where I've been
You've felt like giving up, time and time again
I know you've been defeated, but GOD has made a way
He's there for you just reach out and say

JESUS YOU'RE EVERYTHING

Verse 1

I said you're my shepherd and I told you're my all.
And if by chance I'd stumble, I said you would break my fall.
But these were merely words I spoke while others were around.
Until I seen what you would do when I was way, way down.

CHORUS

Jesus, you're everything to me.
You have provided all my needs.
When I thought there was no way,
you lead me to a brighter day.
Jesus, you're everything to me.

Verse 2

Just to think you formed the Heavens and poured out the rushing sea.
You carved those mighty mountains in your majesty.
Oh, such glory in Your kingdom, my Lord how can it be.
To think you'd make the time to be every breath I breathe.

GOD HAS NOT FORGOTTEN YOU

Verse 1

Your facing a hard time, your rope's at its end.
You think you've lost your very last friend.
I know it may seem that way, there'll be a brighter day.
Cause God has not forgotten you.

Chorus

God has not forgotten you. He aware of what your going through.
So you just keep holding on, remember you're not alone.
And God has not forgotten you.

Verse 2

God has you on His mind even today.
Though you can't see it now, He's making a way.

And when it's all said and done, your battle will be won.
For God, has not forgotten you.

BEND IN THE RIVER

Verse 1

Though troubled waters surround me. I don't know what lies ahead.
Not gonna' fear what I can see.
I choose to trust God instead.

Chorus

It's just a little bend in the river life.
I'm gonna' hold on tight, everything's gonna' be all right
Because my God will deliver,
It's just a little bend in the river of life.

Verse 2

I've got a promise to cling to.
Until I'm safe 'round the bend.
That God will do what I can't do.
He's done it time and time again.

SOMETHING ABOUT THAT NAME

Jesus, Jesus, Jesus, there's just something about that name
Master, Savior Jesus, like the fragrance after the rain
Jesus, Jesus, Jesus let all of heaven let the earth proclaim
That Kings and Kingdoms will all pass away
But there's something about that name

Jesus, Jesus, Jesus, there's just something about Your name
Master, Savior Jesus, like the fragrance after the rain
Jesus, Jesus, Jesus let all of heaven let the earth proclaim
That Kings and Kingdoms will all pass away
But there's something about Your name

MY LIFE IS IN YOUR HANDS

VERSE 1

You don't have to worry and don't you be afraid.
Joy comes in the morning, troubles they don't last always.
There's a friend named Jesus who will wipe your tears away.
And if your heart is broken, just lift your hands and say...

CHORUS

I know that I can make it.
I know that I can stand.
And no matter what may come my way, my life is in Your hands.
And with Jesus I can take it.
With Him I know I can stand.
And no matter what may come my way, my life is in Your hands.

VERSE 2

Now when your tests and trials, they seem to get you down.
And all your friends and loved ones, are no where to be found.
There's a friend named Jesus, who will wipe your tears away.
And if your heart is breaking, just lift your hands and say...

HE'S MY ROCK

Chorus

He's my rock, my sword, my shield.
He's the wheel in the middle of the wheel.
He's the lily of the valley,
He's my bright and morning star.
Makes no difference what you say,
I'm going on my knees and pray.
I'm gonna' wait right here for my Jesus 'til He comes.

REPEAT CHORUS

Verse

'Cause my Jesus is mine and I'm forgiven.
He's holding my hand and I'm bound for Heaven.
'Cause I've found a wonderful Savior,
who freely blesses me ever.
I am His, Praise God and He is mine.

REPEAT CHORUS

Bridge

(Ah-Ooo, Ah-Ooo)
(Doo DoDoDo Doo)
He's my rock, my sword my shield.
He's the wheel in the middle of the wheel.
He's the lily of the valley.
He's my bright and morning star.

CONSOLATION ON YOUR KNEES

Verse 1

When life's winds begin to blow and there's no where left to go.
I've a place I find refuge away from the storm.
My mind goes back to these words, my mother taught to me,
She said, Son you'll find consolation on your knees.

Chorus

Whatever brings you to your knees it's good for you.
It might be hard to see now, Jesus knows what's best for you.
So in prayer, you'll find answers to those problems you can't solve.
Just place them in the mighty hands of GOD.

Verse 2

If there's a need here in your life. In this world of so much strife.
Talk to Jesus, like your father, He will surely hear your prayer.
He has an ear always open and power beyond degree.
There's always consolation on your knees.
