

Young Harmony – “Johnathan & Ginger” Lyrics

ACCEPTED

Verse 1

In my heart, I thought I'd never measured up,
A long way from ever being good enough
And I lived my whole life haunted by regret,
Overwhelmed by failures that I could not forget

Verse 2

Then I met a Man who knew me inside out
He showed me what mercy was all about
He took me as I was, when I gave Him my heart
Then I ran into the shelter of His open arms, now I'm

Chorus

Accepted, because of God's love
I'm forgiven. I've been washed in the blood
There is freedom from my past, healing from the pain
No longer bound by my guilt and shame
"Cause I'm accepted

Verse 3

You may think your life is a long lost cause
But Jesus loves you so much that He gave His all
And His amazing grace will be your victory
Let Him do for you, what He's done for me, so you can say - I'm

ARE YOU WASHED IN THE BLOOD?

Verse 1

Have you been to Jesus for the cleansing power?
Are you washed in the blood of the Lamb?
Are you fully trusting in His grace this hour?
Are you washed in the blood of the Lamb?

Chorus

Are you washed in the blood,
In the soul cleansing blood of the Lamb?
Are your garments spotless? White as snow?
Are you washed in the blood of the Lamb?

Verse 2

Lay aside the garments that are stained with sin,
Go be washed in the blood of the Lamb;
There's a fountain flowing for the soul unclean,
Go be washed in the blood of the Lamb!

Tag

Go be washed in the blood of the Lamb!

COME AND LAY IT DOWN

Chorus

Come and lay it down
Come and lay it down
Leave your every burden
Here on holy ground
Come and lay it down
Come and lay it down

Verse 1

The cares you've carried for so long
Have proven you are not that strong
Maybe this could be the day
You lay them down and walk away

Verse 2

Hope is holding out His hand
He will you from the sinking sand
You'll find mercy at His feet
And you'll arise to be completely free

Tag

Leave your every burden, here on holy ground
Come and lay it down.
Won't you come and lay it down.

COME TO JESUS

Verse 1

No matter who you are
No matter where you've been
Jesus knows your name
And He wants to be your friend
He'll welcome you with open arms
You will not be condemned
Come to Jesus
Come to Jesus

Chorus

Come to Jesus
Come to Jesus
Right here, right now
Come to Jesus
If you will take the first step of faith
He'll carry you the rest of the way
Come to Jesus
Come to Jesus

Verse 2

You hear the Spirit call
You know it is your time
You're just one step away
From the peace you long to find
Now you can know forgiveness
You can leave your past behind
If you'll come to Jesus
Come to Jesus

GOD CAN DO IT

Chorus

God can do it
God can do it
There's nothin' to it
God can do it
If you trust Him and obey
He will surely make a way
And see you through it
God can do it

Verse 1

Nothing is impossible with God who cannot fail
He rescued Paul and Silas when an earthquake shook the jail
He protected Daniel in a hungry lion's den
And today He will show you, He can do it once again

Verse 2

There's no mountain bigger than a little seed of faith
God is stronger than the giant standing in your way
In the deepest valley He will lead you through
Trust Him, you will see, all that God can do

HE MADE A WAY

Chorus

He made a way for me to go through
He made a way when there was nothing I could do
When the odds were stacked against me
And it seemed I'd surely lose
He made a way for me to go through

Verse 1

I was living, running from the grave
Fear was my companion
'Til I became it's slave
But then I heard that JESUS
Had risen from the dead
Now I don't have to worry
About what lies ahead

Verse 2

The cross is so much more, than just a memory
It reminds every moment
I'm a child of the King
I can reach the Father
Every time I pray
All because of JESUS
GOD hears each word I say

HOW LONG HAS IT BEEN?

How long has it been since you talked with the Lord and told Him your heart's hidden secrets?
How long since you prayed? How long since you stayed on your knees till the light shone through?
How long has it been since your mind felt at ease and your heart knew no burden.
Can you call Him your friend? How long has it been, since you knew that Jesus cares for you?

How long has it been, since you knelt by your bed and prayed to the Lord up in heaven?
How long since you knew, that He'd answer even you and would keep you all the night through?
How long has it been since you woke with the dawn and felt that the day was worth living?
Can you call Him your friend? How long has it been, since you knew that He cares for you?

What a friend we have in Jesus? All our sins and grief to bear
Can you call him your friend? How long has it been, since you knew that Jesus cares for you?

I'M TRYIN'

Verse 1

I said I'm not pointin' fingers.
I say yes you are. You wouldn't bring it up if you weren't.
If I told you I'd been walking out in the dark night thinkin',
would you take the truth for all it's worth.
I can't change what's done is done,
but I can tell you this,
Not a day goes by that I don't hate myself and all I did.
Oh, I need you to hold on, while this part of me is dying.
I haven't kicked the demons that haunt me.
I'm trying.

Verse 2

She sat down on the floor. Said, I wish I was stronger.
Right now I feel fragile as glass.
And I want to believe you, believe what's held you has freed you.
Though I hate these doubts that keep on coming back.
My parents think I'm crazy for staying here this long.
But there's nothing more I want for us than to prove to them they're wrong.
I don't wanna be afraid. I don't wanna think your lying.
Though I haven't found the faith that I need.
I'm tryin'.

Chorus:

Then I said, do you want me to leave?
'Cause if you do you know I will.
But she said, much to my disbelief,
"No, I love you still."
Oh, I love you still.
I don't know why I've been the fool, but I can tell you this.
Not a day goes by that I don't hate myself and all I did.
Then we dropped down on our knees.
Right then we started praying, Lord I'm not the one I want to be.
I'm trying. Oh, I'm trying.

INSIDE YOUR HEART

In a room of many, with people everywhere.
In the midst of them all, I stood alone.
I was feeling lonely, I turned my eyes above,
There Jesus wrapped me in HIS love.
He said,

"Child your mine forever,
From you I'll never leave.
I'll always be there by your side.
Just hold on to me, and I'll hold on to you,
Nothing will tear us apart.
I will always be with you,
I'm there inside your heart.

Now, you're on stormy water,
and no one seems to care.
When the waves of life's ocean toss you here and there.
You're losing control and the ship's about to sink,
Just place your eye's back on Jesus,
He'll supply your every need.
He'll say,

MOVIN' ON

CHORUS

WELL I'M MOVIN', GOTTA BRAND-NEW HOME
THIS IS NOT WHERE I BELONG
I'M MOVIN', MOVIN' ON
YES I'VE PACKED MY BAGS AND MADE MY PLANS
HEADED FOR THE PROMISED LAND
I'M MOVIN, MOVIN ON, I'M MOVIN ON

LET THE WORLD KEEP SPINNIN' 'ROUND
NOTHIN' HERE'S GONNA GET ME DOWN
I AIN'T GOT TIME TO SING THE BLUES
I'M ONLY PASSIN' THROUGH

IT'S A PLACE NOT MADE BY MAN
BUT DESIGNED BY GODS' OWN HAND
BUILT WITH LOVE BEYOND COMPARE
I CAN'T WAIT TO GO THERE

BRIDGE

WHEN WE ALL GET TO HEAVEN
WHAT A DAY OF REJOICING THAT WILL BE
WON'T YOU COME AND GO WITH ME

THAT'S WHY WE'RE THE CHURCH

A brother is broken
Wounded and bleeding
Shame has now driven him so far from home
A sister has fallen
Longs for forgiveness
Consumed by her guilt, she suffers alone
Who's gonna love them in spite of their sin

Who's gonna go and restore them again

Chorus

That's why we're the church
That's why we're the body
We're here to serve and give our lives
That's why we're the church
For this is our calling
To love them no matter what the price
Our mission is clear
That's why we're here
That's why we're the church

Bridge

For those who are hurting
and those who are searching
The rebel, the victim, the saved and the lost
We're arms of compassion
Hands that hold mercy
Let's point them all to the cross

WHEN JESUS PRAYS

Verse 1

I can tell you're in a battle, fighting for your life.
You smile through your tears, as though everything's alright.
You wonder if you're all alone, but friend I have good news.
JESUS is with the Father, interceding for you.

Chorus

Satan has desired to sift you as wheat.
But JESUS is praying that your faith would not get weak.
No matter how hard the wind blows, or how high the waves.
Satan does not stand a chance when JESUS prays.

Verse 2

Down through all the ages, the story's still the same
For those who believe, there's a struggle that remains
To place our eyes on Jesus and stand upon His word,
There's a truth that echoes, just like Peter heard...

Bridge

You can have courage.
You can have hope.
Let me remind you, you're not alone.
Don't be defeated.
You don't have to give in.
He is your Savior, He's your faithful friend.
